DAILY TRIBUNE.

PUBLISHED BY
WRIGHT, HEDILL & CO.,
No. 45 CLARK STREET.

J. C. VAUGHAN, C. H. RAY, EDITORS.

CITY OF CHICAGO.

THURSDAY MORNING ..... March 20, 1856.

PROPERTY IN QUEBEC.—The Whig notices a sale of a corner lot fronting the public square in Quincy, at $542 per foot. The ground was vacant, was sold under the hammer, and was bought at a sponsor's bid. After this, who will say that real estate is too high in Chicago? It will not be.

SLAVERY IN KANSAS.—A large number of emigrants are preparing to leave Rock Island and vicinity, this spring, for Kansas. They go out with Mr. Mallory, one of the earliest settlers of the Territory and a well-known Free State man.

KILLED.—Virgil Sherry, a young man living in Meadota, Jackson Co., Ill., was instantly killed a few days since, by the accidental discharge of a gun which he had in his hand.

THE UPPER MISSISSIPPI.—Quincy papers report that the ice opposite that city is rotten, and they say that they consider the navigation will be resumed in a few days. The river is said to be open as high up as Hamburgh, At Dubuque and Galena, crossing on the ice bridge is now not yet interrupted.

WHO IS THE WINNER PONY THE 2 MILE?

Because it is a race between Northern and Southern Pro-Slavery Know-Nothings—the former being the case!

The General Assembly of Virginia, has passed a resolution requesting the representatives of that State in Virginia "to secure the passage of a bill making full compensation to all owners whose slaves have or may hereafter escape into any of the non-slaveholding States of the United and emancipated from them to whom such service or labor may be due." We think they will hardly be able to "secure" this object at present.

The Mayor of Cincinnati has determined to put a stop to the practice of the police in that city spending their time in hunting the negro fugitives from slavery. He thinks they neglect their proper duties in the city for the sake of the rewards offered. They have been in the practice of making arrests without warrants. The Mayor holds that the city police have nothing to do with fugitive slaves unless called upon by the United States officers to aid them. [Nor then].

MONEY—IS SCARCE!

Money is abundant in New York, and cannot be very scarce in Europe. Nor is there any likelihood of its becoming so.

We announced, some time ago, that the Rothschilds had taken the English loan of $40,000,000 at 90 per cent. for three per cent. stock. This shows a flush money market in England.

The cost of the war for twenty months, according to the Lord Chancellor's statement, was $270,000,000; if continued this year $160,000 more would be required. What France, Russia and Turkey have spent is not known officially, but a high authority says the sum is $900,000,000!!

NEW PUBLICATION.

THE ANGEL IN THE HOUSE—THE BETROTHAL. Boston: Ticknor & Fields.

Since the beginning of time, Woman has not been so praised as in the volume before us. Its publication—called by the "angel" here of marriage—is strange that no modern poetry has surpassed—sings a song that millions will read, and that every reader will like. It speaks to the heart, enforcing its lesson by the choicest words and choicest images. That praise is useless—Buy the book and read it.

KANSAS U. S. AMATEURS.

A letter to the Missouri *Democrat* from Topeka 8th, says at a joint session of the Legislature on that day, Andrew H. Reeder was elected U. S. Senator on first ballot; James H. Lane on second; each candidate received 38 votes, and there were 4 scattering votes.

The State Legislature had been in session at Topeka from the 4th to 6th inclusive. The Governor of Missouri yesterday seized all railroad bonds applied for.

BRITISH ASSOCIATION.

The Kingdom of Oude has been annexed to British India by the Governor thereof, Lord Dalhousie, and the Sepoys are much dissatisfied of Hindoo nationality.

This Kingdom has nearly five millions of souls, and contains twenty-four thousand square miles.

Annexation is, and its well will yield almost every variety of produce.

England pays a valuable consideration for this annexation. It promises much in return by protection. And what is that? Simply, an extension of British power! The British Press charges the United States with "aggressive and grasping propensities," and Lord Clarendon, in an official dispatch, charges us with "love of capacity. Yet here we have an instance of "rapacity" which should startle the British People —a "rapacity" which will crush out the Hindoo, which is a tyranny of race as well as of power—which has no half office in the State, or command in the army.

TYPOGRAPHICAL BLUNDER.

Gov. Wise of Virginia is a very sensitive man. Nothing distresses him more than a typographical blunder. Not long since, he sent one of his letters to the Washington *Union*. The Governor used words in it not to be found in any of the dictionaries. The printers, of course, were puzzled. To correct their errors, he wrote to the Richmond *Enquirer*, as follows:

"To the Editors of the Enquirer.

RICHMOND, VA., March 11, 1856.

GENTLEMEN:—I forgot when I put the letter to Buchanan in the hands of the Union to-day, to point it properly. It printed the last sentence thus: "The people of Virginia will not yield up one inch of her rights, either abridged or gleaned, first and last, all, &c. It should read: "They can put up with a little abridgement, but not with, &c., that is, with one inch gleaned, first and all." &c.

Yours truly, &c., HENRY A. WISE.

Again we see the printers have blundered against the Governor, and another note to the Argus to correct his correction. It reads:

To THE EDITORS OF THE ENQUIRER:

GENTLEMEN:—Forgot to have it corrected yesterday. In my note to you of the 11th, I meant to say, "that I did not fully subscribe to the doctrine of this printing, it reads—this is the doctrine of this printing, it reads—this is the doctrine of this printing, it reads—this is

Lavater's Warning.

Trust him who doth raise
To the noble height both great and small,
And after the second o'ers of praise,
Inviting on the hand of all.

Trust him from whom the tribute demand
To measure all with merciful eyes,
And to whom the poor man found
Something that he does despise.

But for one who stands apart,
Ignor'd by mankind that can behold,
With a cold, indifferent heart,
Trust him least and last of all.

RECORDER'S COURT.—On yesterday the Recorder's Court was occupied all day in the trial of Morris Kohn after Jamar Burke, other Morris Goldsmith, under an indictment for burglary.

P. Ballingall, Esq., for the People; and Isaac N. Arnold, Esq., for the Defense.

Kohn was indicted for robbing the wholesale dry goods store of Messrs. Conkey, Wadsworth & Co., on South Water street, a short time since, of some $1,000 worth of silk goods. It appears that Kohn, assisted by several others who are still at large, got into the store by prying off one of the shutters of the back door, taking out a light of glass and removing the bar on the 5th of March last, about four o'clock on in the morning. The young man who slept in the upper part of the store heard the noise, and started down stairs, but was met at the top of the last flight by Kohn who kept him at bay with a bowie knife until his accessories carried off the goods in a wagon which they had in the alley for that purpose. The goods were secreted in a boarding house where these men stayed while in the city, and were there found by Captain Bradley and officer Charles Noyes, on the evening of the 6th inst., and a confession as to the gang was also forced from the woman who kept the house. Capt. Bradley there determined to lie in wait at their house for the thieves, and dispatched officer Noyes, for more assistance, there being four or five men connected with the gang. While Mr. Noyes was gone to the Police office Kohn came to the door and peeked in to see if the coast was clear, and was seized by the throat by Bradley, his revolver taken away and he was compelled to quietly await the return of Mr. Noyes with assistance by being kept within range of the Captain's revolver. After Mr. Noyes came back he escorted the prisoner to the lock up, while Capt. Bradley and his assistants remained to watch for the return of the others. Meantime a close watch was kept at all the railroad stations, but the balance of the gang probably escaped from the city by private conveyance, as no trace of them was obtained.

The jury found a verdict of guilty and fixed Kohn's term in the penitentiary at five years, and also found the value of the goods stolen at $2,000.

The prisoner's counsel gave notice of a motion for a new trial.

Capt. Bradley and Charley Noyes have proved themselves in this matter most energetic and accomplished officers, to whom there are no superiors, and the new administration will find it a hard task indeed to supply their places.

LAKE TRANSPORTATION COMPANIES.—There are now three heavy associations of the above kind on the Lake, with a capital of about $1,000,000 each, of the "American," the "Western," and the "Lake" companies.

The American company was formed under an act of the Legislature of the State of New York, and has its principal office in that city—Hoyt being the head of this company are of the first class, and will average about 600 tons each. This company has leased for five years the ground on the river, between Washington and Madison streets, upon which it is intended to erect warehouses, offices, sheds, &c. There will be a warehouse 400 feet long on the river, by 100 feet in breadth, and another of two stories with offices in the upper part, eighty feet front on Market street, by 100 deep, with the center of the warehouse. Both buildings will have a composition roofing, and the whole ground, 220 feet on Madison, by 100 on the river and 125 on Washington, is to be inclosed by a fence 12 feet in height. Mr. J. E. Dalliba is the agent of this company.

The Western company is of equal capital to the American. Messrs. A. T. Spencer & Co. are the agents in this city. They have also two short lines of boats—the

Crippled with Rheumatism, Arm and Leg paralyzed—No hopes of his recovery—Timely use of R. R. R. —A wonderful Cure.

LETTER FROM MANY RESURRECTED.

Lagrange, Ind., Sept. 10th, 1855.

Messrs. Radway & Co.—Gentlemen:—Radway's Ready Relief has cured Francis Lyons of the worst case of Rheumatism in this section. He had been helpless for three years—could not turn himself in bed. I rubbed him with the Ready Relief, and in less than an hour he could turn himself in bed. In two days he could walk across the room. In one week he was able to work. In one of the worst cases of Fever and Ague, Radway's Ready Relief cured him in one day. In case of Bilious Fever, it is worth its weight in gold.

Isaac Hendrickson.

Radway's Regulators.

We have found the efficacy of the pill to be just exactly the correct remedy—RADWAY'S REGULATORS; they purify the blood, and remove all obstructions of the system, from whatever cause, and restore the perfect health and strength of the body. Without vomiting, or the system be deranged, they operate like magic.

Here are the forms of Pills, elegantly coated with pure, sweet gum, which will keep in any climate, and which will not dissolve in the mouth, so that they are to be taken by all persons without the least fear of nausea, or the pill coming up. Two of these Pills contain more curative power than any other pill in the world. Three of these Pills will prevent any fever or disease if taken on the first approach of the disease. Full directions in every package how to cure every case.

RADWAY'S RENOVATING MEDICINES

Possess the most positive curative powers.

THIS ALL-POWERFUL REMEDY

Has performed the most astonishing cures. It has purified thousands afflicted with disease, who had given up all hopes of ever being cured. Many who are now living have been saved from the grave by the use of these remedies.

HUMOR—BAD BLOOD.

Chronic Diseases, Scrofulous and Syphilitic Complaints, Ulcers, Sores, Skin Diseases, Tetter, Salt Rheum, Blotches, Boils, Carbuncles, Scurvy, Mercurial Diseases, Dropsy, Gout, Gravel, Diabetes, Stone in the Bladder, Kidneys, Gravel, Dimness of Vision, Pain in the Side, Chest, Limbs, and Joints, Rheumatism, Whites, Nervous Complaints of every name and nature, Spasms, Sour Stomach, Heartburn, Sick Headache, Diarrhœa, Dysentery, Colic, Flatulency, Indigestion, Biliousness, Fever, Inflammations, Congestion of the Lungs, Stomach, Bowels, Kidneys, Bladder, Rain, and all other Complaints and Infirmities of the Internal Organs or Muscular System, are painful symptoms indicating that the nerves that govern these parts are deranged, and require the healing, soothing, and strengthening influence of the Ready Relief to restore the perfect action and quality.

SHALL POX, SCARLET FEVER AND MEASLES.

Radway's Ready Relief is not only a remedy for these diseases, but will prevent any one being attacked with them.

We have taken the R. R. R. and we whole neighborhoods who have taken the Pills and Relief. Not one in a hundred who have taken the Pills and Relief have had the Fever and Ague. Not one in a hundred who have taken the Pills and Relief have had the Fever from their friends, by spreading the Relief around the room, and sprinkling it on the bedclothes, and taking a few drops in water.

We will guarantee that if those who are now suffering with Fever and Ague will use the Pills and Relief, they will be cured in a few days. Radway's Ready Relief and Regulators, by their timely use, have saved thousands from the grave, and restored them to health and strength.

Dr. Radway has been for many years a resident of New York, and has spent many thousands of dollars in testing the value of his remedies, and has brought them before the public only after they have been thoroughly tested, and proved to be the most wonderful discovery for the cure of disease ever known.
